New York, Dec. 6.—A Herald's
Charleston correspondent, speaking of
the reception of Gen. Grant at thatcity
on the 1st instant, says:

He was received at the depot by prominent military men of the department.
Very few citizens were out. A large

The General was compelled to decline

citizens of the city. A torch light procession was gotten up in the evening by
the colored ditizens of Charleston. The
procession numbered about 800. On
Saturday be gave a reception to the citizens, which was largely attended and
afterwards dined with Gov. Perry, Gov.

The Herald's Columbia correspondent says that at the inauguration of
Gov. Orr on the 29th, there was nothing
unusual to mark the occasion, save that
the gay and brilliant assemblage of ladies in former years was reduced to a
thin attendance, clothed in the garb of
mourning. The tarewell address of
Gov. Perry excited evident feelings of
emotion, while the inaugural address of
Gov. Orr was listened to with breathless attention.

The Fenian Senate.

New York, Dec. 6.—The Senate of the American Fenian Brotherhood assembled in extra session yesterday morning, at their headquarters in this city. The object of the extra session is stated to look into the matter of economy and faithfulness in the executive departments, the organization demanding unusual probity and promptness at this time. The appointments of the New York officials under the new constitution have never been officially announced. The appointing power rests with President O'Mahony and the Senate confirms.

The Fenians express some astonishment at the reported splendor of the new headquarters on Union Square, assuming that such magnificence must create a heavy draft on the Treasury of the organization.

Unusual interest is attached to the session, which it is supposed will continue for several days. Yesterday's session did not result in any business which is yet made public, It is expected that regular reports of the proceedings will be given to the press when publicity seems not injurious.
